Bourdieu In Algeria Colonial Politics

Bourdieu's Algerian oeuvre is predicated, we contend, on the colonial setting in which he carried out his research. This context led him to portray Algeria in terms of a profound cleavage: what Bourdieu understood to be an "originary" or precolonial Algerian society is set against a "destructured," ruptured, and fragmented society

The Algerians

Algeria - Algeria - Colonial rule: The manner in which French rule was established in Algeria during the years 1830–47 laid the groundwork for a pattern of rule that French Algeria would maintain until independence. It was characterized by a tradition of violence and mutual incomprehension between the rulers and the ruled; the French politician and historian Alexis de Tocqueville wrote that ...
