Corporate and commercial in British Virgin Islands | Law ...

The law of the British Virgin Islands is a combination of common law and statute, and is based heavily upon English law. Law in the British Virgin Islands tends to be a combination of the very old and the very new. As a leading offshore financial centre, the territory has extremely modern statutes dealing with company law, insolvency, banking law, trust law, insurance and other related matters. However, in a number of areas of law, such as family law, the laws of the British ...
