Cpcs Theory Test Answers

I had my CPCS dumper training here which consisted of a day of training and then my test. I was very pleased with the... training I received, Stuart ensured I had all of the information I needed to pass both my theory and practical tests first time. If I need any further training in the future I would not hesitate to come here again. read more

Construction Industry Safety Training Centre | Learn to ...

The course concludes with a post theory test consisting of 25 questions: 22 multiple choice questions and three short written questions and answers. There are 4 safety critical questions within the paper which have to be answered correctly in order to pass successfully.
