Guides menu, check mark showing up). What I did was to disable Smart Guides with CTRL-U (and that really did enable the guides, check mark still showing up). It's worth trying that.

### **Solved: Smart Guides and Snap to Point not working ...**

I too am having problems with the 'Smart Guides' option being grayed out in the 'View' - 'Grids and Guides' column. I've replaced the preferences, checked all the appropriate boxes, yet nothing I do works. Additionally, the 'Smart Guides' did work for some time. However, for reason(s) I'm unaware of, they just stopped showing up.
