Immunity to Change Worksheet - Individual

What is Immunity to Change? Immunity is when there's a part of us that wants to move in one direction e.g. towards an important goal and at the exact same time there is a part of us that is unconsciously driven to actually accomplish a goal that is in tension with the very important goal we want to accomplish. If you don't see your IMMUNITY you will continue to be stuck. So what you have is a version of a foot on the gas pedal and a foot on the brake at the exact same time.
