Lg Washer Pedestal Manual

Use the pedestal feet to adjust the washer for a solid level installation, as described in the washer owner's manual. Place the pedestal in your desired location. Then level it by adjusting the legs of the pedestal by using the provided tool. Check with a level to verify the evenness of the pedestal. You will need to check this again, after mounting the machine. Brackets that match the feet of the machine are located on top of the pedestal.
