Licensed To Kill Privatizing The

Robert Young Pelton's Licensed to Kill is a witty, provocative, inside look at private security companies and their explosive growth after 9/11. More than simple history or commentary, Mr Pelton explores every aspect of the PSC's involvement in the war on terror, their necessity in the face of large-scale military down-sizing, and role in the future of military conflict.

Licensed to Kill: Privatizing the War on Terror - Robert ...

With the shocking clarity that can come only from firsthand observation, Licensed to Kill painstakingly deconstructs the most controversial events and introduces the pivotal players. Most disturbingly, it shows that there are indeed thousands of contractors—with hundreds more being produced every month—who've been given a license to kill, their services available to the highest bidder.

According to his bills, SB 594 and 595, any citizen who is 21, has a high school diploma or a GED, and hasn't been convicted of a felony in the last five years, could apply to the Michigan State Police to conduct business as a special police agency. And, oh yes, you'd have to have at least one employee who had some experience as some kind of police officer, or failing that, had a bachelor ...

Privatizing the police would be a dangerous policy ...

The new law only applies to private property, and is irrelevant of whether or not it is a paid hunt, although allowing hunting access in return for financial or other consideration still requires a hunting lease license from the Texas Parks and Wildlife Department. A hunting license is still required on public land.

New Texas Laws Affecting Feral Hog Hunting, License ...

The government licenses some business to operate, but not others. The ability to fire a weapon does not license you to kill another person. In American English, license is also a noun.It refers to a permit or certification.Common licenses include a license to drive, a license to hunt, or a license to sell liquor.
