MY JOURNEY TO THE STARS, a memoir by astronaut Scott Kelly, begins when he's on his way home after spending a year on the International Space Station, then veers back to his childhood years in New Jersey. He has an identical twin, Mark, who also became an astronaut, which becomes significant in their careers.

My Journey to the Stars Book Review

This nonfiction picture book is a children's version of NASA astronaut Jerry L. Ross's autobiography, *Spacewalker: My Journey in Space and Faith as NASA's Record-Setting Frequent Flyer*, designed for ages 7-12. Told in friendly first-person narration, it represents how Ross followed his dream from rural 1950s northern Indiana to Purdue University and then outer space.
