Patience and Fortitude | A riveting investigation of a beloved library caught in the crosshairs of real estate, power, and the people's interests--by the reporter who broke the story In a series of cover stories for The Nation magazine, journalist Scott Sherman uncovered the ways in which Wall Street logic almost took down one of New York City's most beloved and iconic institutions: the New York Public Library.

Patience and Fortitude : Power, Real Estate, and the Fight ...

Fortitude in the Midst of Battle Fortitude binds the will firmly to the good of reason in the face of the greatest evils, and the most fearful of all bodily evils is death. And so the very idea of fortitude presupposes that there are certain things we should love more than our own lives, certain things we ought to be willing to die for.
