In this case of Walmart, the SWOT analysis gives insights on the internal and external forces significant in the company's strategy development in the retail industry. While these factors vary over time, the company's growth depends on its ability to capitalize on its retail operational effectiveness and strengths.

Analysis Case

The SWOT analysis is a classic strategic planning tool originating from business and marketing analysis that encourages groups (or individuals) to reflect on and assess the Strengths, Weaknesses, Opportunities and Threats of a particular strategy and how it can best be implemented.

Better Evaluation

When writing a business case study analysis, you must first have a good understanding of the case study. Before you begin the steps below, read the business case carefully, taking notes all the while. It may be necessary to read the case several times to get all of the details and fully grasp the issues facing the group, company, or
