## **The Geocaching Handbook**

Geocaching is one of the fastest growing outdoor sports of the millennium, combining aspects of treasure hunting, high-tech navigation, and exploration. To get started all you have to do is select a local cache listing from a geocaching Web site, enter the waypoint or coordinates into your GPS unit, and then plot your route to adventure.

This was an excellent book when it was first published, and still is. It explains the facets of geocaching very well. However, it was published a few years ago and geocaching has evolved a little since that time. But it's still a good handbook for the beginner. I've given my copy to a few friends interested in geocaching to read.

The Geocaching Handbook Layne Cameron, Falcon Guide. One of my new favorites, there's something about The Geocaching Handbook that appeals to my inner travel writer. Going beyond the basics and into the geo-games, events, clubs, websites, and other happenings, the handbook mixes real-life examples and explains the evolution of the sport in a human interest kind of way.

## **Nine Great Geocaching Books - roadtripsforfamilies.com**

Geocaching is the outdoor recreational activity, in which participants use a Global Positioning System (GPS) receiver to hide and seek containers at specific locations marked by coordinates all over the world. But it is so much more than that! It is where it takes you to find them, it's the people you meet and the challenge of the hunt.
