Ain't no gift like the present tense
Ain't no love like an old romance
Got'sta make hay when the sun is shinin'
Can't waste time when it comes time to dance
Slammin' this door with a heavy hand
signin' this line like a deed to land
keeping in touch with the windows down
Dreading this night since the rain hit the ground
Long live the heart

The Heart Wants What It Wants (With Lyrics) - Selena Gomez

The Heart of an Intercessor. Intercession is selfless prayer. An intercessor is someone who stands in the gap, between God and others. An intercessor dares to go before a mighty God and contend for those around them. An intercessor prays for others selflessly, lifting the needs of others into the throne room of heaven.

Needtobreathe - The Heart Lyrics | MetroLyrics

A heart needs a second chance. Yeah, you been gone and I've been in a trance
This heart needs a second chance
Don't say it's over I just can't say goodbye.
Please forgive me and forget it I was wrong
and I admit it But why can't we talk it over
Why can't we forget about Forget about the past.
A heart needs a second chance
When love makes this ...

38 Special - Second Chance Lyrics | MetroLyrics

The heart is made of three layers of tissue. Endocardium, the thin inner lining of the heart chambers that also forms the surface of the valves. Myocardium, the thick middle layer of muscle that allows your heart chambers to contract and relax to pump blood to your body. Pericardium, the sac that surrounds your heart. Made of thin layers of tissue, it holds the heart in place and protects it.

The price for my heart
And I don't have a context
For that kind of love I don't understand
I can't comprehend
All I know is I need You
I run to the Father I fall into grace
I'm done with the hiding
No reason to wait
My heart needs a surgeon
My soul needs a friend
So I'll run to the Father
Again and again and again and again
Oh oh oh

The de-oxygenated blood then travels back to the heart through your veins which lead back to the right side of your heart. Like every other living tissue, the heart needs a constant supply of blood. This comes from the coronary arteries which branch off from the main artery (aorta) as it leaves the heart.
